Suzanne Pountain

Executive Director of School Improvement Lydiate Learning Trust

Suzanne has worked in Education for over 20 years. She is Executive Director of School Improvement at Lydiate Learning Trust and prior to this, she enjoyed two Headships in the Secondary sector. Suzanne has undertaken extensive school-to-school improvement work across the North West, supporting over 30 schools. Additionally, she has carried out KS2/3 Advisory work and been involved in the roll out of National Strategy initiatives.

Suzanne especially enjoys coaching and supporting leaders at all levels to realise their potential so in turn they can offer the young people they serve the best possible life chances because quality education unlocks future potential like no other!

Suzanne has a passion for education and loves being in a classroom. She still taught English as a Headteacher, and as well as being part of the Lydiate Learning Trust executive team, she is also part of the Deyes High School Governing Body.
