Lianne Greenall

Executive Director of School Improvement

Lydiate Learning Trust

Lianne Greenall is the Executive Director for School Improvement, Primary Lead. Lianne has over 25 years' primary teaching and leadership experience. Her most recent role was Headteacher of a large primary school.

Lianne has extensive leadership experience both at school level and in the local authority. She was a School Improvement Advisor and had responsibility for the Primary National Strategy and School Governor Support Services. She has a proven track record of driving excellence and raising standards across a wide range of schools including those in challenging circumstances. Lianne uses a supportive and systematic approach when working with schools and provides a bespoke programme that enables them to be successful.

Lianne worked as the Senior Adviser for Mathematics, leading a highly successful primary team. She has a wealth of experience and expertise in creating and providing high quality professional development programmes and bespoke school support programmes to drive school improvement. She has contributed to a wide range of school initiatives focussing on assessment, curriculum, teaching and learning and self-evaluation which have led to effective school improvement.
