Natalie Chapman

Executive Director of Finance

Lydiate Learning Trust

Natalie Chapman is Executive Director of Finance across our Trust. Natalie is a member of the Chartered Institute of Management accountants and has over 25 years' operational leadership and strategic Finance experience gained within private and public sector organisations, including pharmaceuticals, social housing, training, primary, secondary and further education.

As Director of Finance, Natalie plays a key role in driving the Trust's financial strategy, working closely with the Finance Team to ensure that a supportive centralised Finance function is available to all within the Trust.

Natalie is solution focused and embeds this throughout her team with the aim of delivering the most efficient Finance function which maximises the Trust's financial resources to ensure that pupils have the best possible education.
